How it works

1. HIN Transfer

In Section 2 of the online application process, simply select “Transfer an existing HIN from another broker” and provide your Broker and HIN details.

The screenshot shows the GO Markets application interface. At the top, the GO MARKETS logo is displayed. Below it is a progress bar with six steps: 1. Account Details (highlighted in green), 2. CHES Sponsorship (highlighted in dark blue), 3. Settlement Bank Account, 4. Review, 5. Submit, and 6. Finish.

The main content area is titled "CHES Sponsorship". It includes a legend: "* = required field". Below this is a question: "Would you like GO Markets Securities to establish a new Sponsored HIN?". There are two radio button options: "Yes - Establish a new HIN" (unselected) and "No - Transfer an existing HIN from another broker / sponsor" (selected).

Below the question is a section titled "Existing Broker Holdings". It contains the following text: "To transfer CHES-sponsored securities from another broker you will need your Holder Identification Number (HIN) and the account name and CHES Registration address on this account must match what your existing Broker has recorded. Please amend your application details if the details entered do not match your current brokers account details." Once your application is submitted, you will be provided a pre-populated Transfer form to download. Please check and complete the details; sign and upload with your ID. Your HIN transfer request will be processed together with your Share Trading and CMA applications.
